Saml. May Jr.

Dear Sir, I wish from you last letter that I am required as an agent of the Massachusetts Anti Slavery Society to refrain from selling Goodell's "Slavery & Anti Slavery". I cannot consent to this & therefore must give up my agency & act upon my own responsibility in the Anti Slavery field. I shall still cordially aid your Society by getting subscribers for the Liberator as I have done heretofore. Under present circumstances I cannot go to Lowell. You will therefore send a substitute.

Affectionately Yours

Danl Foster.
